## Construction update

November 4, 2011

Construction season is drawing to a close in Skykomish! This is the last regular construction update that will be sent this year as the majority of work will be completed next week. BNSF extends a big **THANK YOU** to Skykomish residents for their patience and cooperation this year!

### Recent activities

- Relocated the Depot Building to its new location on the rail yard.
- Completed roadway striping on newly paved areas.
- Excavated a small area on the south side of the Former Maloney Creek East haul road.
- Continued excavating and backfilling a shallow metals dig on the rail yard.
- Completed installing a fence around the Former Maloney Creek East pond.
- Continued railcar load out.

### What's happening next?

- Continue restoration activities around town.
- Complete restoration at the east end of Railroad Avenue.
- Backfill the small area on the south side of the Former Maloney Creek East haul road.
- Complete backfilling the shallow metals dig on the rail yard.
- Continue railcar load out.
