

Skykomish Cleanup

Construction update

April 21, 2008

Recent activities

- BNSF selected a construction contractor for 2008. Please congratulate and welcome Strider Construction to Skykomish.
- Installed lighting on the levee.
- Sampled soil on church and Johnson properties.

New levee lighting

What's happening next?

- **Public meeting: Tuesday, April 29 at Maloney's General Store (5:30 – 7:30 p.m.).** Come learn the latest about plans for construction and get updated information on the community wastewater system. The project team will review:
 - How to communicate with construction staff
 - Where to find construction information
 - Traffic revisions
 - Excavation and HCC system construction timelines
- The levee railing is scheduled for delivery the week of April 21. Installation will take approximately one to two weeks.
- Three groundwater wells will be sampled on April 23. The wells are located on 4th and 5th Streets and Railroad Avenue. Work should not affect traffic and will take about a day.
- Limited railyard excavation is scheduled for the week of May 5. A trailer on BNSF property along Old Cascade Highway is also scheduled for demolition.
