

# Skykomish Cleanup

## Construction update

May 30, 2008

### Recent activities

- Strider continued delivering materials and trailers to the rail yard.
- Crews are preparing the rail yard and BNSF property along Old Cascade Highway for soil handling and other staging activities. Vegetation and brush was cleared on the property along Old Cascade Highway.
- Baseline air monitoring was conducted in town on May 28 and 29.

Vegetation clearing

### What's happening next?

- Strider will continue to mobilize crews and equipment. Work on Railroad Avenue could begin as early as the week of June 2. This may require rerouting traffic to East and West River Road. The 5<sup>th</sup> Street railroad crossing will remain open until temporary crossings are constructed. **Notices will be posted in town and on the Skykomish Cleanup website when the date for this work is identified.**
- Continuing clearing brush and vegetation from BNSF property along Old Cascade Highway.
- Plant the levee the week of June 2.
- Pour a foundation for a new BNSF communications tower on the rail yard.
