

Skykomish Cleanup

Construction update

June 2, 2008

Attention!

Work will begin on Railroad Avenue Wednesday morning (June 4). Traffic will be rerouted to East and West River Road. The 5th Street railroad crossing will remain open until temporary crossings are constructed.

Recent activities

- Strider constructed a foundation for a new BNSF communications tower on the rail yard.
- Crews continued preparing the rail yard and BNSF property along Old Cascade Highway for soil handling and other staging activities. A loading ramp was constructed for the soil handling facility.

The 5th Street crossing will be open during asphalt grinding on Railroad Avenue this week.

What's happening next?

- Starting June 4, crews will grind the road surface of Railroad Avenue, both east and west of the 5th Street railroad crossing. The crossing will remain open until temporary crossings are constructed.
- Construction of temporary railroad crossings will begin this week. **Notices will be posted in town and on the Skykomish Cleanup website when the date for the 5th Street crossing closure is identified.**
- Levee planting is scheduled for the end of this week.
