

# Skykomish Cleanup

## Construction update

June 6, 2009

### Recent activities

- Crews installed temporary sidewalks, striping and parking spaces for the Town of Skykomish Centennial. The Town kiosk was also temporarily installed on Railroad Avenue.
- Crews installed underground electrical connections on 4<sup>th</sup> Street to the Whistling Post and McEvoy house properties.
- Preliminary site preparation of the USFS compound was completed, including paving of the parking area and delivery of the temporary post office trailer.

Temporary sidewalk and booth area installed for the Centennial.

### What's happening next?

- Site preparation activities will be underway in early June, including water bypass installation, site clearing, and fence installation.
- Post office operations are scheduled to be relocated to the USFS compound in mid-June. Signs will direct traffic and pedestrians to the temporary post office trailer.
- Crews will be performing routine sampling and gauging of wells in town during the week of June 8.
