

Skykomish Cleanup

Construction update

June 26, 2008

Recent activities

- Moved the Depot and McEvoy house to their temporary locations along the east end of Railroad Avenue.
- Mobilized and set up the water treatment facility on the rail yard.
- Opened the temporary crossing near the Skykomish School. This crossing does not have signal arms. Pedestrians and drivers should remember to pay attention, look both ways and proceed with caution.
- Sampled excavated overburden material (e.g. soil).

Moving the Depot

What's happening next?

- Move the Whistling Post today and tomorrow, Friday, June 27.
- **Begin driving sheet pile the week of June 30. Work will begin at the west end of the construction zone.** To ensure work goes as quickly as possible, crews will excavate and remove large boulders before installing sheet pile. This excavation will begin tomorrow, June 27, and will start at the west end of the construction zone.
- Continue utility bypass work, including temporary utility pole installation, with PSE and Verizon.
