

# Skykomish Cleanup

## Construction update

August 27, 2009

### Recent activities

- Moved the Skykomish Hotel back to its original location on Wednesday, August 26.
- Completed Martin and Sarno house foundations.
- Crews started lowering the Martin and Sarno houses onto their foundations today and will begin restoration activities.
- Continued utility work at 4<sup>th</sup> Street.
- Archaeological exploration is underway where the Skykomish Hotel was temporarily located. Crews should complete this work tomorrow.
- Completed additional investigational drilling in the Former Maloney Creek areas.
- Completed investigations under the Cascadia Inn to determine the extent of contamination under the building.

### What's happening next?

- Return the Martin cottage on Friday, August 28. Continue restoration work on the Martin and Sarno houses.
- Complete 4<sup>th</sup> Street utility work on Friday, August 28.
- **Traffic revision:** Beginning Friday evening (8/28), traffic will be routed through town via East River Road and 4<sup>th</sup> Street. Access from the bridge to West River Road will be closed for excavation.
- Begin the next phase of excavation at the Wheatley property and 5<sup>th</sup> Street near the bridge starting on Monday, August 31. This is expected to take 5 to 10 days, depending on the type of soil encountered. Wetter soil takes longer to excavate.
- Crews are aware that school starts on Wednesday, August 2, and will proceed with extra caution when children are in the area. Security guards will be available to assist the school bus if needed.
