

Skykomish Cleanup

Construction update

October 15, 2009

Recent activities

- Continued restoration work at Sarno, Martin and Hotel properties.
- Started work on the joint utility trench (JUT) on 4th Street. The JUT will house underground utilities.
- Utility installation on 5th Street is complete.
- The Town is paving Old Cascade Highway.

What's happening next?

- Continue work on the 4th Street JUT. This work expected to be complete early the week of October 19.
- Begin work on the 5th Street JUT the week of October 19.
- Continue restoration work at the Martin, Sarno and Skykomish Hotel properties. This includes installing topsoil.
- Continue building the shed, stairs and landing at the Whistling Post. This work will be complete by the end of October.

Community meeting

Thursday, October 29

6:00 – 8:00 pm

Masonic Hall (108 NE Old Cascade Highway)

Learn about 2010 cleanup in Skykomish

Join us to learn more about cleanup plans for 2010 as described in the draft 2010 Engineering Design Report (EDR). The project team and the Town of Skykomish will review:

- Areas of Skykomish that will be under construction in 2010
- Cleanup at the 5th Street Bridge and temporary bridge closure
- Cleanup at Former Maloney Creek
- Temporary building relocation
- Status of cleanup plans for the Skykomish School
- Community wastewater treatment system construction
