

Skykomish Cleanup

Construction update

December 4, 2008

Recent activities

- Railroad Avenue is now open to traffic. Crews removed the fencing and will be striping the roadway next.
- Continued restoration work on the Whistling Post and Craig house.
- All contaminated material has been loaded out. The stockpile area has been cleaned and decontaminated.
- All shallow excavation at properties adjacent to the Skykomish Community Church is complete and excavation areas have been backfilled.

What's happening next?

- Continued work on HCC mechanical building and piping.
- Begin work on joint utility trench.
- Stripe Railroad Avenue and designate parking spaces near businesses.
- Install temporary street lights as soon as possible.
- Continue restoration work in town, including restoring the Craig house and Whistling Post.
- Patch asphalt along Railroad Avenue as needed.

Crews install piping for the HCC system.
